CLASS of 1985

Jamaica Plain High School

Jamaica Plain, Massachussets

Stacy Johnson

Headmaster

A yearbook is more than printed pages, clever sayings, and photographs. It is, in a very real sense, a record of memories--your memories--the memories you hold both individually and in common with Jamaica Plain High School. It is my sincere hope, as well as the hope of the faculty and administration, that those memories are pleasant ones; ones which you will cherish throughout your life. It is our hope that your days at Jamaica Plain High have been enjoyable as well as filled with learning and growth. You have received an education that will serve you well throughout your lives; and the memories within these pages will serve you in those quiet moments when you return your thoughts back to your days spent with us.

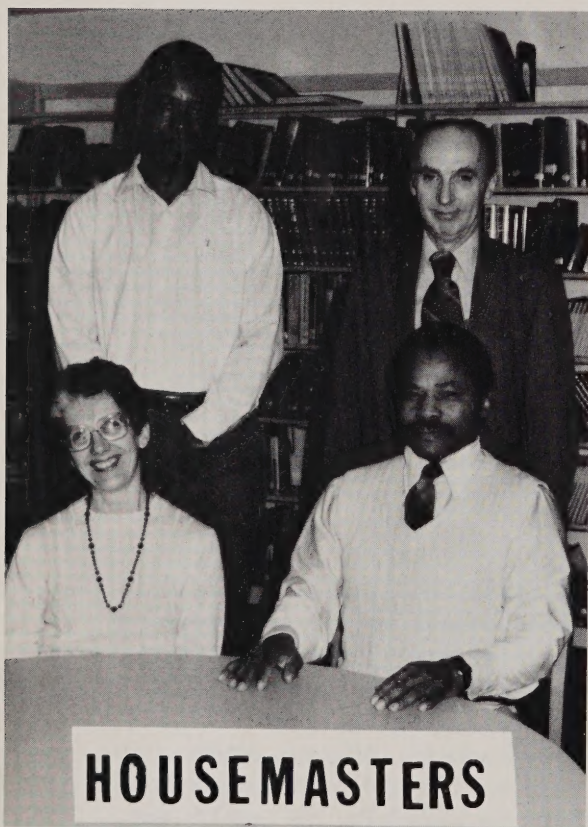

On behalf of the faculty and administration, I wish you health, happiness, and success throughout your lives.

Stacy Johnson
